B.3. Selected Round:

The Selected Round is only for determining the Best Group Award.

The top three teams—each representing the highest-scoring team within their respective organization—advance to the Selected Round.

C. Scoring System

Standard Bowling Scoring:

Strikes, spares, and open frames follow official USBC scoring rules.

C.1 Team Average Calculation:

A. 5-Bowler Team (Standard): The team average is calculated by taking the average of all five players' scores.

B. 4-Bowler Team: The lowest-scoring bowler's average is counted twice, and the total is then divided by five (5) to simulate a full team.

C. 6-Bowler Team: The lowest-scoring bowler's average is dropped, and the remaining five players' scores are averaged.

Rationale

- This system provides a modest incentive for teams that field more players while maintaining fairness across all team sizes.
